# BARTOSZ KRUCZKOWSKI
## Computer Science Student

## Profile

I am a third-year Computer Science student, specializing in cybersecurity, and actively developing my skills in computer networks, programming, and system administration. I am currently seeking a paid internship or job in the IT industry for the summer period (July / August / September), available full-time. Starting in October, I will be available part-time due to the continuation of my studies. I am focused on professional development, gaining hands-on experience in a production environment, and applying the knowledge I have acquired in practice.
